Inspection of J&G Station for Junkyard renewal

The Town Officials along with DES arrived at 7 Back Ashuelot Road @10:45 to inspect the property for compliance on their Junkyard permit. George Morse Sr gave us permission to enter onto the property and inspect it. The group w/o the owner walked down back to view the junkyard area. DES-Gardner Warr inspected inside the build. There are some violations that will need to be addressed.

The board will discuss the violations and look for guidance from DES-Gardner Warr.
