Bridge Dinner - 140 tickets will be sold and 10 tickets are reserved for Jason to distribute as he sees fit. Different ways of arranging the tables more efficiently were discussed. Devon and Jason will get measurements of the bridge to see what will work. Jenny counted 200 blue chairs available for pickup on the 29th. Jeanne is ordering white tablecloths and burlap runners. Posters have been revised and are being distributed. Since BYOB has been removed, Devon suggested we should provide drinks. Water will be placed on tables. Coffee, tea, and cider were also discussed. Logo Merchandise - Jenny got an email from the logo bag company saying that they cannot provide a proof until bags are ordered. Price is \$1.19 per bag, plus shipping.
