September minutes were reviewed. Gus made a motion to accept the minutes as read. John seconded. Motion passed

### **Old Business:**

**Class six road cleanup:** Janti Road was completed with 2,300lbs trash removed.

**Wulff Property boundary issue:** Gus reported that Dick Drew is too busy to locate and review pins. Matter delayed until next month's meeting.

**National Grid:** No response to requests for information sent by Nat in an email.

**New WCC Office Request:** Natalie had not discussed with the BOS.

**Musterfield Park/WEDC:** Natalie had not talked to Mark Tigan. John said need to brush hog the front area again. WCC needs to talk to Paul about returning to the work he was doing if he is well enough. Paul is interested in doing his part for the area so he needs to be contacted.

### **New Business:**

#### **Request for land exchange at Meeting House Hill:**

Gary Rokes has again requested that the WCC provide him with more road frontage in exchange for land in the back of his property. WCC discussed and agreed that the exchange can not be made as the Monadnock Conservancy and the NH Society for the Protection of Forests would not support the exchange.

#### **Trees cut near Pulpit Falls:**

Natalie was approached to say trees were being cut near Pulpit Falls. John Hann will call the person in this matter.

Natalie brought up that the WCC needs to think about finding ways to get more people involved in WCC. WCC will discuss after the election when she has more time.

WCC and WEDC agreed to a minor boundary line adjustment related to the recent purchase by Jason Cardinalc of a lot in Stone Mountain.
