Jason shared that tickets are being sold on Event Brite, Natalie Quevedo couldn't sell the tickets on FB so she made an Event Brite Invitation. This incurred a fee for the purchaser. Jason reported that only 15 tickets were left out of the 75.

Jeanne reported that she spoke with Patti from Cheshire Organic farm about dessert and the committee decided to go with the mixed berry pies, and Patti Popsicles for those that needed something gluten free. Each pie will be \$2 each and Patti is donating the popsicles. We will offer Patti and her husband Ralph two dinner tickets.

Jason confirmed that the price of the pig will be \$300 from Old Winchester Farm.

Jason reported he still has not had any luck with a handicapped accessible porta potty. Mike will check into a company he knows about. We will need the porta potty dropped off Friday night and picked up either Sunday or Monday following the dinner.

Patti reported that she will get a quote from Elegant Settings for 90 dining chairs and also see if we can pick them up to save potential cost of delivery. Jason is going to check with the Elm Center about borrowing tables from them.

Jason will check with Outlaw Brewery about getting cups for beer and hard cider. We will charge \$6 for Alcoholic beverages with a three drink limit. Jeanne will make a sign for the "bar".
